Special Event Venues

The Lawn

Ideal to cater for up to 120 guests, The Lawn is the perfect outdoor venue for wedding parties, birthdays, product launches, festive celebrations, music and dance performances and cocktail parties.

The tropical Northern Thai forest enveloped the Pillars House when we first laid eyes on these naturally lush grounds. Our landscape team has preserved those existing Lady Palm and Mimosa trees to honour the site's unique heritage, while creating shades and breezes along well-lit stone walkways.

Our gardens blossom throughout the property. Every April, we await the orange flamboyant flowers that announce the Thai New Year. Look for them and other indigenous blooms along the original elephant path, our favourite outdoor reminder of 137 Pillars House's storied past.

Jack Bain's Bar

A casual and warm atmosphere with a touch of elegant décor. The bar has the flexibility to transform into private functions including 'families and friends' reunions, management dinners and wine tasting dinners.

The Wine Cellar

A stylish and cosy cellar inside the Pillars House overlooking our organic garden. It is a perfect venue for you to host private dinners in an intimate setting, wine tasting sessions and cultural lectures.

The Parlor

The perfect place to mingle and socialise. Use this space for launch parties or networking events for your guests to exchange ideas in a relaxing environment that is designed to inject that extra bit of inspiration.
